

2026 29th World Missions Convention Prayer Topics

1. May this convention become a time in which all missionaries and overseas committed workers confirm the answers of the missionary disciples 24 within the throne's stream of the Word, prayer, evangelism, one region, and one nation; the field disciples 25 who heal the Nephilim; and the eternal disciples who see absolute possibility within absolute impossibility and bring life to all things.
2. May all Darakbang churches and believers worldwide become the disciple team 24 enjoying the five streams 24 hours a day, the secret team 25 that changes the fate and destiny, the spiritual world and heals darkness, and the eternal masterpiece team of Romans 16:25-27, which begins the work of establishing one thousand bartizans in my region and finding the people of the seven points prepared by God.
3. Pour upon the evangelist, Rev. Kwang Su Ryu, the unprecedented filling of the Holy Spirit and the five powers, and grant the Word that will be fulfilled in the fields throughout the world.
4. May all participating missionaries, overseas committed workers, serving staff, and believers of Darakbang churches worldwide restore the strength needed for world evangelization through this convention. May they hold to the accurate covenant, discover what is absolutely necessary for myself, the field, and the future, and be prepared 300% to be commissioned to the field.
5. Through the morning time that conquers the universe, the daytime that conquers the world, and the night that conquers the future, may the absolute bartizan be established, embark on the absolute journey, and raise up the absolute guideposts before the convention.
